

SpaceandPeople plc was established in 2001 with Gresham as an original investor to market a sell promotional mall space within shopping centres on a national basis in a business completely engineered by the e-business concept. Currently the company is the UK's number one provider of promotional space for experiential marketing in the UK, Europe and India.

Developed by ex-shopping centre marketers, the company's aims are simple – to enable owners of high footfall areas to centrally market, administer, promote and sell their promotional space in an easily accessible and profitable way.

SpaceandPeople works with a variety of owners of high footfall areas, including shopping centres, theme parks, garden centres, retail parks and airports. A comprehensive service is offered, covering everything from consultancy services through to the provision and management of retail merchandising units in shopping centres.

At 30 June 2011 Gresham held 2,062,500 ordinary shares at a cost of £447,000.

The Wheelsure Holdings plc group of companies is a technology based business dedicated to sourcing, patenting, developing and marketing unique safety technologies. The company was formed in 2003 and operates in the worldwide rail and commercial vehicle markets under the brand names of Tracksure and Wheelsure respectively. The Group's products include:

- (a) the Wheelsure wheelnut locking device which has been designed to prevent wheel loss on commercial vehicles and PSVs and to enable fleet operators to manage vehicle maintenance in a more cost-effective manner; and
- (b) the Tracksure range of fasteners which have been developed to prevent unintentional nut loosening in a variety of rail and rolling stock applications and to offer infrastructure managers significant operational and cost benefits. Applications include brake/retarder systems, crossings, tightly curved track, temporary clamps and joints and fishplates/insulated joints.

At 30 June 2011 Gresham held 5,090,000 ordinary shares at a cost of £361,000.

## **Memorial Holdings Limited**

Memorial Holdings Limited specialises in the provision of high quality cemetery space in the London area. The company is currently developing a 55 acre site Chislehurst, within the London Borough of Bromley. Cemetery space for interments is becoming scarce within the London Boroughs and the Government estimates that space for burials will run out by 2019. The first phase (10 acres) of the site is being developed and the cemetery should be operational by the autumn of 2012.

At 30 June 2011 Gresham held 1,500 ordinary shares at a cost of £2,392,000.
